Seminar: Preparing Witnesses to Testify (Depositions and Trials)

**Hosted By: US Legal and Presented by:
Ann T. Greeley, Ph.D.**

.Preparing Witnesses to Testify (Depositions and Trials)

Tips and techniques based on our work with hundreds of witnesses, both fact and expert, including examples of what jurors view as effective and ineffective deposition and courtroom testimony. Includes discussions of issues relevant to a range of witness types, from line-workers to CEOs, as well as important considerations for transcribed versus video depositions.

Examples of witness “bloopers” make this an interesting and informative program. The presentation includes excerpts from mock trial jury research showing how witnesses are perceived.
