Back to Basics

This invaluable two-day program has been put together by trial attorneys for trial attorneys. Here's why you should not miss this seminar:

- BACK TO BASICS includes Rules of Evidence, Civil Procedure, as well as questions and answers from the previous Civil Trial Certification Exams. Questions from previous Trial Certification Exams will be provided as seminar handout material.
- The seminar is open to all New Jersey trial attorneys, whether or not they anticipate taking the Trial Certification Exam in the near future.
- Lecturers include attorneys who are already trial certified. The substance of the course will include areas of the law expected to be covered in the Trial Certification Exam.
- For BACK TO BASICS, TANJ has applied for continuing legal education credits from the Supreme Court Board on Trial Certification. (NJ & NY)
